9. **Establishment of Seed Testing Laboratory:**

9.1 Government of Nepal may, by publishing a Notification in the Nepal Gazette, establish a Central Seeds Testing Laboratory to carry out the testing of the Seeds and other acts pertaining thereto.

9.2 As per necessity, Seeds Testing Laboratories may be established in different places of Nepal, subject to the control and supervision of the Laboratory established under Sub-section 9.1.

9.3 Any person or organization who intends to establish and operate laboratory in private sector, has to make an application to the Board in a prescribed format with prescribed fees.

9.4 If the application obtained pursuant to Section 9.3 is found appropriate upon the evaluation the Board may provide license to establish and operate laboratory under the prescribed terms and conditions.

9.5 Notwithstanding anything contained in this Section, Seed Testing Laboratories established in private sector prior to this Act, shall take license in accordance with this Act within one year from commencement of this Act.

10. **Functions, Duties and Powers of Laboratory:** The functions, duties and powers of the Laboratory shall be as prescribed.

10A. **Renewal:**

10A.1 The license of the laboratory which is established pursuant to this Act shall be renewed every year.

10A.2 If a laboratory, which is established pursuant to this Act, fails to renew its license on time as prescribed in Sub-section 10A.1, the license shall ipso facto be cancelled and the Board may cause to close such laboratory.
11. **Power to Notify the Type of seeds or Variety:** If the Government of Nepal deems it necessary to regulate and control the quality for any type of seeds or variety to be used for agricultural purpose, it may, in consultation with the Board, prescribe the seeds of such type or variety as the Notified Seeds, by publishing a notice in the Nepal Gazette, and while prescribing it may also prescribe the type of seeds or variety appropriate for different regions.

11A. **License to be obtained:**

11A.1 If any person or organization is interested to sell and distribute seeds, s/he has to submit an application to the prescribed Officer along with prescribed fees in a prescribed format and obtain the license as prescribed.

11A.2 If the sales and distribution of seeds has been done without taking license pursuant to Subsection 11A.1, Crop inspector shall seize such seeds.

11B. **Unnotified seeds shall not be sold and distributed:**

11B.1 Except for the purpose of agricultural research, nobody shall sell and distribute seeds which are not notified pursuant this Act.

11B.2 If anybody is found selling seeds which are not notified as pursuant to Sub-section 11B.1, Crop inspector shall seize such seeds.

12. **May prescribe minimum quality standard of seeds:** The Government of Nepal may, in consultation with the Board, and by publishing a notice in the Nepal Gazette, prescribe the minimum quality standard of any seed out of the Notified Seeds.

13. **Sale and Distribution of Notified Seeds:**

---

* Inserted by the First Amendment
** Amended by the First Amendment
13.1 Any person or organization who sells and distributes the Notified Seeds shall mention the following descriptions in the container of the seed:

13.1.1 The type of seeds and Variety,

13.1.2 The minimum quality standard prescribed pursuant to Section 12,

13.1.3 Description thereof, if treatment has been done by using a chemical substance,

13.1.4 Other necessary matters as prescribed.

13.2 Notwithstanding anything contained in Sub-section 13.1, the type of notified seeds and variety which has been recommended by breeder for a specific region shall not be sold or caused to sell outside that region.

15. To Obtain Permit to Export or Import the Notified Seeds:

15.1 Any person interested to export or import the type or variety of Notified Seeds shall have to submit an application, accompanied by the fees and the details as prescribed, to the designated authority for export or import permit.

15.2 The designated authority may provide approval upon receiving an application pursuant to Sub-section 15.1.

15.3 Notwithstanding anything contained in Sub-section 15.1, an industry established with an objective of exporting or importing seeds may export or import the Notified Seeds by giving prescribed details of the Notified Seeds intended to export or import to the designated authority.

15A. Powers to restrict the export or import: The Government of Nepal may restrict the import of the seeds of a specific Variety which may damage or affect adversely the agricultural activities in

repealed by the First Amendment
Amended by the First Amendment
Inserted by the First Amendment
Nepal or the export of seeds of a specific notified variety that should not be exported on the basis of risk analysis by publishing a notice in the Nepal Gazette.

**16. Provisions relating to the Crop Inspector, Seed Sampler and Seed Analyst:**

16.1 The Government of Nepal as per necessity may appoint any Crop Inspectors, Seed Sampler and Seed Analyst who has qualification as prescribed.

16.2 In cases, when Crop Inspectors, Seed Samplers and Seed Analysts have not been appointed, the Government of Nepal may designate any civil employee meeting required qualification, to carry out the functions of Crop Inspector, Seed Sampler or Analysts.

16.3 Except otherwise provided in Sub-section 16.1 and 16.2, nobody should inspect crops, collect seed samples and analyze seeds.

16.4 A person who intends to obtain a license pursuant to Sub-section 16.3 and has the qualification as prescribed has to pass the examination to be taken by the Board.

16.5 A person who has passed the examination pursuant to Subsection 16.4 has to submit an application in a prescribed format and along with the prescribed fees to the Board for a license to carry out the business of Crop Inspector, Seed Sampler or Seed Analyst.

16.6 If an application is submitted pursuant to Sub-section 16.5, the Board shall issue a license in a prescribed format with prescribed conditions upon receiving the prescribed fees and the license issued in such a way shall be valid for a period of two years.

16.7 The license issued pursuant to Sub-section 16.6 shall be renewed as prescribed.

16.8 In case the license is not renewed pursuant to Sub-section 16.7, such license shall ipso facto be cancelled.

*Amended by the First Amendment*
Other procedures relating to the examination pursuant to Sub-section 16.4 shall be as prescribed.

**17. Functions, Duties and Powers of Crop Inspectors, Seed Samplers or Seed Analysts:** The functions, duties and powers of the Crop Inspectors, Seed Samplers or Seed Analysts shall be as prescribed.

**17A. Service Charges may be levied:**

17A.1 The Government of Nepal may collect service charges for providing services pursuant to this Act, as prescribed by publishing a notice in the Nepal Gazette.

17A.2 A person or organization may collect service charges pursuant to this Act as approved by the Board.

**18. Recognition by Government of Nepal:** Government of Nepal may grant recognition to a domestic or foreign or international organization which tests or certifies seeds or tests a variety for the purpose of the Act in consultation with the Board and by publishing a notice in the Nepal Gazette.

**18A. Ownership to be maintained:** The ownership of the seeds of local varieties of crops which are traditionally in use in Nepal shall be maintained as prescribed.

**19. Punishments:**

19.1 Any person who operates laboratory without obtaining the license pursuant to Section 9 shall be fined Fifty Thousand Rupees.
19.2 Any person who sells or distributes or causes for the same in contravention of Section 11A and 11B shall be fined from Ten Thousand Rupees to Twenty Thousand Rupees.

19.3 Any person who sells/ distributes or causes for the same without mentioning the descriptions as referred to in Section 13 shall be fined from Ten Thousand rupees to Fifteen Thousand Rupees.

19.4 Any person who carries out an act in contravention of Section 16.3 shall be fined Twenty Five Thousand Rupees.

19.5 Any person or organization performing activities other than those mentioned in Sub-section 19.1, 19.2, 19.3, and 19.4 in contravention of this Act and the Rules framed hereunder shall be fined from Ten Thousand Rupees to Twenty Thousand Rupees.

20. **Government to be plaintiff:** The Government of Nepal shall be the plaintiff in the cases under this Act.

21. **Investigation and Lodging of Cases.**

21.1 The Seed Sampler* shall investigate the cases relating to the offences punishable pursuant to this Act and after the completion of such investigation shall lodge the case before the Adjudicating Authority empowered to hear the case.

21.2 While investigating and instituting the case pursuant to Subsection 21.1, the Seed Sampler* may seek opinion of the Government Attorney. After the lodging of the case, the Appellate Government Attorney shall carry out the pleading and appealing in the case.

22. **Power to Hear Cases:**

22.1 The authority as prescribed shall have the power to hear the case under this Act.

* Amended by the First Amendment
22.2 In hearing and settling the case pursuant to Sub-section 22.1, the prescribed authority shall follow the procedures as referred to in the Special Court Act, 2059 (2003).

23. **Saving of Actions Carried Out in Good Faith**: *Crop Inspectors or Seed Samplers or Seed Analysts* or any employee authorized to act under this Act shall not be personally liable for any act and action carried out in good faith in the course of discharging his/her functions pursuant to this Act.

Provided that, the concerned person shall be liable for any act carried out by him/her with an intention of causing unnecessary harm, harassment or trouble to anyone.

24. **Power to Frame Rules**: The Government of Nepal may frame necessary Rules in order to carry out the objectives of this Act.
